

# LightVerse® Fiber Optic Cabling System

## LightVerse Adapter Plates

Regional Availability - Global

The Siemon LightVerse system includes a comprehensive range of pass-through adapter plates which have been designed with the user in mind, combining innovative functionality with the quality and performance users expect from Siemon fiber solutions. Available in singlemode and multimode fiber options and various connector types, LightVerse adapter plates allow users to seamlessly mix-and-match different types as needed to support their unique application needs.

### Shuttered Options

LightVerse LC adapter plates are available in both shuttered and non-shuttered configurations, allowing users to add more protection if required.

### Easy Color-Coding

LightVerse adapter plates are available in various colors: Beige, Blue, Erika Violet, Aqua and APC Green, designed to help users easily differentiate between their systems.

### Multiple Connector Types

LightVerse adapter plates are available in LC, MPO, SC, ST and FC connector types, giving users a wide range of options and flexibility.

### Multiple Fiber Counts

LightVerse adapter plates are available in 6, 8, 12, 16 and 24 fiber counts, allowing users maximum flexibility and control with their designs.

### FLEXIBLE INSTALLATION

Each LightVerse adapter plate includes an integrated latch which allows for easy one-handed installation and removal, allowing users to work efficiently in even the densest environments.

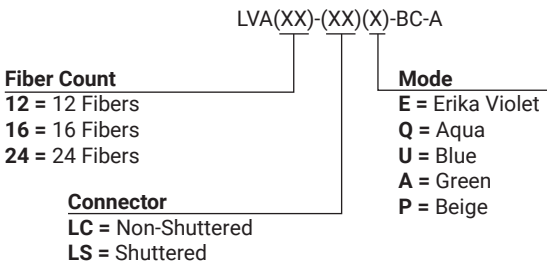

### SIMPLIFIED MANAGEMENT

The adapter plates' unique design allows users to easily access and install or remove them from either the front or rear of the enclosure, allowing maximum flexibility for day-to-day management.

Product Information

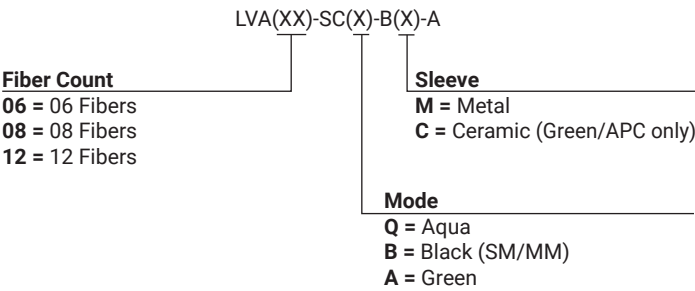

LightVerse® LC Adapter Plate

Black with ceramic sleeve

LightVerse SC Adapter Plate

Black with metal sleeve

LightVerse MPO Adapter Plate

Black with no sleeve

\*Base-8 and Base-12 only. Not to be used with any other MPO connector count.

LightVerse FC Adapter Plate

Black with metal sleeve

Part Number	Description
LVA06-FCM-BM-A	MM and SM UPC (Phos Bronze Sleeve)
